

# TOP STAR

**EUROLA**

LEADERS IN RETRACTABLE  
WEATHER SMART SYSTEMS

The Top Star comes with the industries finest form and function. Also featuring durable Aluminium alloy construction, certified electrostatic powder coating for marine use, Somfy motors / remote system, Eurola's Top Star can be customised to the specifications of any domestic or commercial project.

This intelligent all-in one solution for heat, rain, and light control adds a new perspective to outdoor living by servicing limited or existing arrangements.

The application of the Top Star is engineered to attach on top of an existing structure with the pleats of the fabric folding upwards. This way there is no interference with a previous structure and fixed lighting that could be below the pergola or low head room applications.

## Measurements Spans

Single Module System - maximum width 5500mm x 13000mm projection

Double Module System - maximum width 9500mm x 13000mm projection

Triple Module System - maximum width 13500mm x 13000mm projection

## Rafter Sizes

120mm x 70mm Rafters with Patented Keyway Technology

160mm x 85mm Rafters with Patented Keyway Technology

180mm x 100mm Rafters with Patented Keyway Technology

## Cross Bar Support Battens

Leading and rear battens 75mm x 52mm

Intermediate battens 30mm x 52mm

## Aluminum Support Frame

Aluminium Support Frame with 120mm x 80mm posts

## Operation

Somfy Motorisation with Remote Control or Hard Wired Wall Switch

## Waterproof Membrane Fabric

Sattler HighTex Colour Range

Serge Ferrari Range

## Powder Coating

Custom Powder Coating to any standard Dulux or Duralloy colour

## Hardware

Marine Grade 6061 Structural Aluminium Extrusions

Marine Grade 316 Stainless Steel Components

Marine Grade Stainless Steel 316 Track Runners & all Brackets

High Pressure Aluminium Die Cast Rafter End Caps

## Polymere Endcaps & Component Colours

UV Treated and hardened Polymere Endcaps

Colours Available: White, Cream, Light Grey, Dark Grey, Brown, Black

## Unit Drive Train

Continuos 75mm Tube with discreet side mount tubular motor

## Optional Available Extras

Somfy Sun, Wind and Rain Sensors

Upgradable Somfy Remote Control systems

Remote control upgrades available for multi channel and wall mounted options

Dual Somfy Motorisation for larger systems.

Timber cladding options available
