Offering simple, understated elegance – Classique Romans by Helioscreen are the perfect choice for both modern and classic interiors.

Classique Romans come in a stylish range of designer prints and colour ways, in translucent, sunscreen or blackout fabrics – giving you maximum privacy and UV protection.

The unique construction of Classique Romans cleverly eliminates stitch holes by using lightweight powder coated aluminium battens, offering a clean, classic look.

Blinds can be operated using either cord or stainless steel chain, or automatically with motorisation by SOMFY.

Classique Romans can be customised to fit any window space up to 3m wide and come with quality and performance warranties.
