## INTERNAL AUTOMATED BLACKOUT SYSTEMS

MOTORISED BLACKOUT ROLLER BLIND SYSTEMS

### APPLICATION SM 65 95 70

The Helioscreen full blackout system is extremely versatile and is ideal for situations where a complete light block out is necessary like boardrooms and home theatres in both commercial and domestic applications. The system features stylish steel side channels with double internal brushes. This system is automated with a Somfy motor for the ultimate ease of use. The Warranty on the Helioscreen motorised Blackout system is 5-years.
